

Professional Qualifications

Richard Murray

Position

Research Manager with Fortier Mattila Appraisals Inc., an independent real estate appraisal firm servicing Saskatchewan.

Background & Experience

Richard Murray grew up on a farm near Denholm, SK and attended school in the Battlefords. He attended the University of Saskatchewan and was awarded a School of Agriculture Diploma in 1990. He actively grain farmed and raised cattle in the Denholm area for several years afterwards. He has been working in the appraisal field for over 15 years researching agricultural, residential and commercial properties. Richard has been instrumental on the development and maintenance of our new commercial, residential and agricultural databases.

Post - Secondary Education

School of Agriculture Diploma - University of Saskatchewan
